

Chief Patrons

Prof. P O J Lebba, General Secretary, MES
Mr. K K Aboobacker, Chairman, MESCE

Patrons

Prof. Kadavanad Mohammed,
Secretary, MESCE
Prof. C P Muhammad, Joint Secretary, MESCE
Dr. K P Mohammed, Director, MESCE

Organising Chair

Dr. V A Sonny, Principal, MESCE

Organising Co-Chair

Dr. Syed Jalaludeen Shah, HOD, CE

Convenor

Dr. Shajil N, Associate Professor, CE

Co-Convenors

Mr. Babu P, Assistant Professor, CE
Mr. Srishyam M S, Assistant Professor, CE

Seminar Registration Fee*

Students (UG/PG) : Rs.1000

Research Scholars &

Academicians : Rs.1500

Other Delegates : Rs.2000

* Excluding Accommodation.

Accommodation will be provided in the students Hostels on sharing basis. Since accommodation is limited, family members of the participants cannot be accommodated. Registration fee can send as DD in favour of NSDM2017, payable at PNB Thrikkanapuram or transfer to A/C and submit the transfer receipt with registration form.

A/C No : 6232000100007009

IFSC : PUNB0623200

Address for Correspondence

Convenor,
National Seminar on Disaster Management 2017,
Dept. of Civil Engineering,
MES College of Engineering Kuttippuram,
Thrikkanapuram PO, Malappuram Dist.,
Kerala - 679573
E-mail : nsdm2017@mesce.ac.in

KEYNOTE SPEAKERS

Mr. Amit Meena IAS, District Collector Malappuram

Dr. R K Elangovan, Deputy Director General,
DGFASLI, Govt. of India.

Dr. Sue McNeil, Professor and Chair
University of Delaware, USA

Dr. Ajit Prabhu V, Joint Director, KSCSTE

Mr. Bibhuti Bhusan Gadnayak, State Disaster Risk
Reduction Coordinator at UNICEF, Orissa

Dr. G Narayana Swamy, CSIR-National Institute of
Oceanography (Goa)

Dr. Vijayan P, Principal, GEC Idukki

Dr. Girish Gopinath, CWRDM Calicut

Dr. Santhoshkumar, KERI, Peechi

Dr. C K Raju, HOD, Dept. of CSE, Jyothi Engg. College

Dr. Sasidharan Sreedharan, HOD, Dept. of CSE, MESCE

Dr. Syed Jalaludeen Shah, HOD, Dept. of CE, MESCE

Mr. Pradeep, Hazard Analyst, Thrissur

Mr. Sobin C C, Dept. of IT, MESCE

National Seminar on Disaster Management 2017

August 21st to 26th

Co-Sponsored by Kerala State Council for
Science, Technology & Environment

Organized by

Department of Civil Engineering
MES COLLEGE OF ENGINEERING
KUTTIPPURAM

M E S College of Engineering Kuttippuram

The first Engineering College established under the self financing sector in Kerala is situated on the beautiful and serene banks of Nila or Bharathapuzha. It was established as an institution with minority status in 1994. Widely acknowledged as one of the premier institutions imparting technical education in the state, the college offers admission to all categories of students with special consideration to educationally backward communities. At present there are eight undergraduate programmes including B Arch and ten post graduate courses in M Tech, MCA, MBA and M Arch in the college. Nearly 3000 students study here under the guidance of over 240 qualified faculty members and research guides.

Department of Civil Engineering

The AICTE granted approval for starting BTech degree course in Civil Engineering during the academic year 2007 - 2008 with a sanctioned intake of 40. In the academic year 2009-2010 the intake was increased to 60. Department has an MTech Program in Construction Engineering and Management with an intake of 18 students. The department also offers testing of construction materials on a consultancy basis and issues test certificates to various Government and private agencies.

National Seminar on Disaster Management

The objective of this National Seminar on Disaster Management is to give awareness on common hazards and their dynamics and to inculcate the basic concepts of disaster management for the research scholars, faculty and UG/PG students of Civil Engineering. Civil Engineering is a professional Engineering discipline that has been an aspect of life right from the beginning of human existence.

Kerala State Council for Science, Technology and Environment

KSCSTE an autonomous Institution of Govt. of Kerala is committed for the promotion of Science, Education, Research and Scientific temper in the State. KSCSTE prepares the road map for development of the State through advancements in scientific research and innovation in technologies. Achieving excellence in basic research, academia-industry interactions, strengthening indigenous technologies initiatives, and building strong infrastructure and developing a high quality science education system in the state are the targeted goals.

Themes

- Natural and Anthropogenic disasters and its hazard, risks and vulnerability
- Community level planning for management of drought, floods, fire, earthquakes and epidemics.
- Construction of buildings and infrastructure in disaster prone/risky zone
- Risk analysis in Construction Management
- GIS applications in drought and flood management
- Communication methods, Delay analysis in disaster management
- Earthquake, failure prevention and rehabilitation
- Environmental risk assessment, mitigation and management
- Slope stability and ground improvement
- Role and responsibilities, preparedness, mitigation for multi-hazard risk management.

Who can attend?

Faculty Members/Research Scholars/Students of UG/PG from Academic Institutions approved by AICTE/UGC/MHRD and Engineers/Industry/Experts/Scientists from Govt./Public/Private organizations can attend and present papers in the seminar.

Important Dates

Submission of abstract : 09/08/2017

Acceptance : 11/08/2017

Registration &

Submission of Paper : 14/08/2017
