

# NATIONAL SCIENCE DAY CELEBRATIONS - 2018

JOINTLY ORGANIZED BY

DEPT. OF MECHANICAL ENGINEERING, MESCE & KSCSTE TRIVANDRUM

## About National Science Day (NSD)

The Day is observed to mark the novel discovery of Raman Effect by the great Indian Physicist Sir C. V. Raman on 28th February, 1928. Raman Effect is a phenomenon in spectroscopy discovered by the eminent physicist while working in the laboratory of the Indian Association for the Cultivation of science, Kolkata. After two years of this discovery, Sir C. V. Raman brought the first Nobel Award for the country in 1930. Hence the National Science Day is a great day for Indian Science and scientific community.

## Basic objectives

The basic objective of observation of National Science Day is to spread the message of importance of science and its application among the people. This is essential to accelerate the pace of development. Even in the 21st century and despite many significant achievements certain sections of our society are still guided by blind faith and beliefs, which is reflected in the quality of decision making on developmental issues.

## About KSCSTE

The Kerala State Council for Science, Technology and Environment (KSCSTE) is an autonomous body under the ministry of S&T, Kerala, constituted in November 2002 to be an agency for change and development through science and technology. The council promotes and activates programs for increasing the stock of knowledge in science, and fine tunes policies which are significant and for the sustained development of humanity.

## Focal Theme for NSD- 2018 is: ‘Science and Technology for Sustainable Future’

## About MESCE

M.E.S College of Engineering , the first Engineering College established under the self financing sector in Kerala is situated on the beautiful and serene banks of Nila or Bharathapuzha. It was established as an institution with minority status in 1994.

## VISION OF THE DEPT. OF MECHANICAL ENGINEERING

To develop the Department into a premier destination of international level for advanced learning in Mechanical Engineering and to mould quality engineers to serve the society through creative solutions.

## MISSION OF THE DEPT. OF MECHANICAL ENGINEERING

- To mould engineers who would be able to apply the basic science and mathematics with confidence in professional activities for the benefit of all.
- To make our graduates experts in practical problem solving with abstract thinking skills.
- To make our students life-long learners capable of building their careers upon a solid foundation of knowledge and competent in communicating technical materials and concepts in individual group situations.

ESSAY WRITING  
COMPETITIONS

ELOCUTION  
COMPETITIONS

NATIONAL  
SEMINAR

For Details

Mr. Padmakumar K 9496346820

Mr. Asharaf 9061170178

21/02/2018

- ESSAY WRITING COMPETITIONS FOR HSS/UG/PG STUDENTS & COLLEGE TEACHERS
- ELOCUTION COMPETITIONS FOR HSS/UG STUDENTS

23/02/2018

- National Seminar on Science & Technology for sustainable future

NATIONAL SCIENCE DAY  
2018
